Maharashtra – 412201**

This is to certify that On 7th October 2019 our inspector visited campus of Angel English Medium school Sambhaji Nagar Kadam wak-wasti Tal- Haveli Loni Kalbhor Pune Maharashtra – 412201 and found that school has fulfilled all the conditions as per health point of view and this office recommends the following steps to be undertaken by the school authorities :-

1. To avoid water accumulation in school campus care should be taken to prevent breeding of mosquitoes for that regular spray of DDT, BHC to be undertaken.
2. Top of drainage pipes should be provided with nylon net fixed with nylon thread.
3. Two separate dust bins should be provided in the school to segregate dry and wet garbage.
4. Water Tank (UG and OH) should be clean in every six months and water tank should be air tight so that mosquitoes will not enter and breed.
5. School authorities should invite staff from our department to deliver lectures on importance of Personal Hygiene to the student and staff.
